

ON TRUMP THE SOLID ROCK I STAND

Lyrics by Western Christianity

Glen C. Robertson

My hope is built on nothing more;
Than Donald Trump and Supreme Court;
I dare not trust that Christ remain;
But wholly lean on Donald's name.

On Trump the "man of God" I stand;
All other ground is sinking sand;
All other ground is sinking sand.

When Antifa darkness descends;
My faith in Donald never bends;
Though evil Democrat assail;
My faith in Trump will never fail.

On Trump the "man of God" I stand;
All other ground is sinking sand;
All other ground is sinking sand.

His oaths, his curses, vitriol;
Support me, overcoming all;
When all around my faith gives way;
He then is all my Hope and Stay

On Trump the "man of God" I stand;
All other ground is sinking sand;
All other ground is sinking sand.

When he returns to White House ground;
Oh may I then in Him be found;
Dressed in His MAGA hat I'll be;
My Christianity and me.

On Trump the "man of God" I stand;
All other ground is sinking sand;
All other ground is sinking sand.
